Fairford said the meeting with  
Sterling went well, not as many  
people there as last time, probably  
the most positive thing that happened  
was Irving Stone, the author,  
introduced Sterling. It happened  
that Irving Stone sat at the same  
table as Mr. Clarke & people  
and there were no other people  
in that table but I don't talked  
to him, told him abt the project,  
and that Sterling had been there.

• Litford said Stone seemed impressed  
said that that was the most  
refreshing thing he had heard in  
a week, he was amazed at  
the progress that had been made  
really ~~to~~ with no outside financing,  
he is ~~30~~ years old, Fairford  
thinks it would be nice for him to visit  
the project, and that used the false further  
contract if it is decided to do so.

Fairford also met Charles' exers.

On ms. well, he said that

his position and very civil.  
his opinion on getting

he said that the portland

P.H. prior to the hearing Vince h. came in to the court room, and to bl Charles to yessy on his son. They laugh hard he left. to s was in the room next to P.H. and treason was fill with its supporters. Jim C. was there Steve K. Mickey T. And here comes one black man and woman - orange billy and bruce's parents too. tos was dressed in an oxford grey suit his hair brown dry and medium length - glasses with black rim. argued that he hadn't had the time to answer our affidavit, he needed today, the judge pointed out if him he had four days and that was probably ample, we did not reach his client and the judge just ignored that.

~~and~~ mind remembered writing something like that but forgot

The audience cheered rather quietly when P.H. was arguing, and was very negative to mechanics P.H. also alluded to some main points of the case and the fact that many of the readers tyrannical position is and lead to becoming disillusioned, P.H. pointed out that people were kept in the dark that people are often from being heard and that P.H. himself had shown concern for the court by not returning.

The plane is 5 hopleane is

 I did know already  
 that lucas and martin were  
 coming in  
 and martin were coming in  
 together didn't it, mike,  
 that is what we talked about  
 we asked if I wanted martin  
 held one day for that reason,  
 doublechecked with utomize  
 sure I understood, and  
 we got the ans that Keith  
 knows what he is doing.  
 so that is where we left it  
 good.

~~After~~ ned m ok

ANSWERS FOR JUNE

1 Ignore the letter from Mrs Abbott  
for Datal's mom.

2 No on Brotherhood  
3 Tell Jimmy that yes the kid  
is at Gabriels but as far as Mr Farris  
goes, he should make it clear that  
Horace Farris is a completely  
different person than Curtis Farris.

C-9-a-10d

There is no connection whatsoever + he  
doesn't know Curtis Farris + Curtis Farris  
has no obligation to recognize or  
listen to Dr. Dadds

Answer to Cynthia:  
10 Yes she can send those articles to  
Inella + Leroy. Might be good for them  
to hear the news.
